Dr Soumya Banerjee

Data Scientist, MRC Epidemiology Unit

Email

Work: sb2333@cam.ac.uk   Personal: neel.soumya@gmail.com

Web

ORCID: orcid.org/0000-0001-7748-9885

Personal: sites.google.com/site/neelsoumya/Home

Google Scholar: scholar.google.com/citations?user=WQwMsyQAAAAJ&hl=en

Other: github.com/neelsoumya

Education

Degrees

PhD University of New Mexico, USA

Teaching Activity

Courses taught

Introduction to Machine Learning   2019-present

Grants

Medical Research Council, MICA: Mental Health Data Pathfinder: University of   2018-2020
Cambridge, Cambridgeshire & Peterborough NHS Foundation Trust, and Microsoft,
£1,496,194

Publications

Banerjee, S. (2021). An Artificial Immune System Approach to Automated Program Verification: Towards a
Theory of Undecidability in Biological Computing. *Interdisciplinary Description of Complex Systems*, *19*
(4), 493-501. doi:10.7906/indecs.19.4.3

Banerjee, S. (2021). Lymph node inspired computing: towards immune system inspired human-engineered
complex systems. *Interdisciplinary Description of Complex Systems*, *19*(4), 502-510.
doi:10.7906/indecs.19.4.4

Banerjee, S., Lio, P., Jones, P., & Cardinal, R. (n.d.). A class-contrastive human-interpretable machine learning
approach to predict mortality in severe mental illness. *npj Schizophrenia*. doi:10.1038/s41537-021-
00191-y

Banerjee, S. (2021). Life as we do not know it. In *Proceedings of the International Conference on
Thermodynamics*. International Association for the Integration of Science and Engineering (IAISAE).
